STATION HPTV: CHANNEL 1950

This year saw our school as the first high school in the state to have its football games televised. Television has become quite commonplace. Many of us have a set — or if we do not, we do not have to look very far before we find one of our friend's houses boasting a tall tell-tale antenna, and we manage to "drop in" while Milton Berle or some other favorite is being screened.

We, of The Highlander staff, thought it might be fun to televise our school year for you in the 1950 yearbook. If you receive as much please in watching the events of 1949-'50 pass before your eyes as we received in televising it for you, we can consider the production of the 1950 Highlander a success.

DEDICATION

We, the members of the Senior Class of 1950, dedicate our Highlander to one of our closest friends, a fine coach, an understanding teacher and a wonderful man, J. O. (Cotton) Franklin. To use a phrase that he made famous "cose-now ye see"—we think he's among the best.

Teachers'

Forum

All hail to thee, dear Hi Park
High,
The school we love so dear;

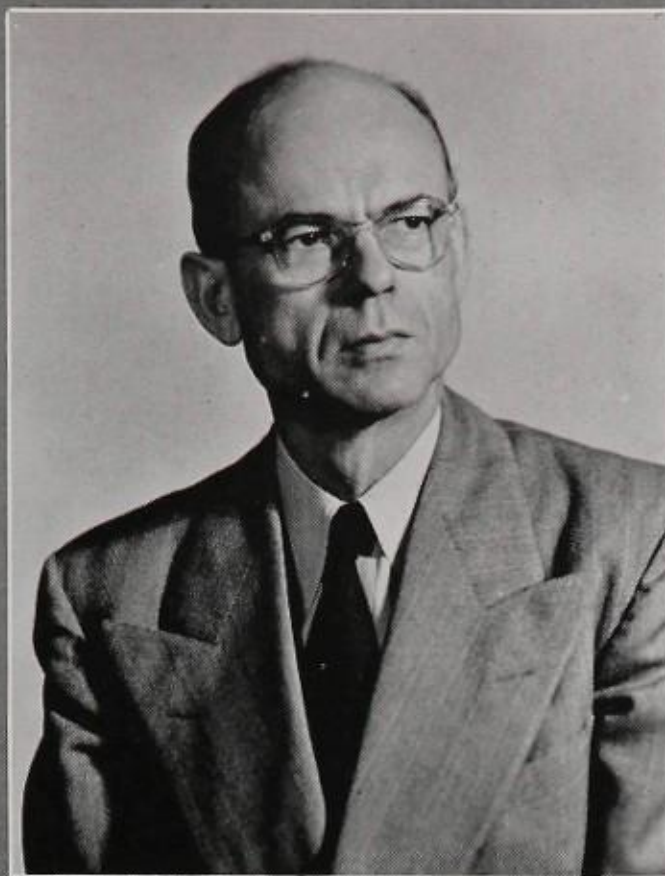

We'll shout thy praise to all the
world,
Which echoes far and near.

Thy fame and splendor we'll
uphold,
Thy greatness we'll proclaim.

We'll honor and we'll cherish
thee,
Dear Hi Park High.

General Assembly

Our STUDENT COUNCIL is the governing body of Highland Park High School. Representatives from the second period classes are elected each semester. This organization's activities include sponsoring the much used student directory, the Clan, the Junior-Senior Prom honoring the graduating seniors, all the football dances, and the spring elections. This year the Council sent \$357.55 to help the crippled children at Gonzales. The members sponsored a drive to raise money for a juke box.

Quiz Kids

Students who are outstanding in scholarship, leadership, service and character compose the membership of the **National Honor Society**. Only three per cent of the 3A class, seven per cent of the 4B class, and fifteen per cent of the 4A class can be elected each semester by the faculty.

A low honor roll average for a semester automatically brings a student's name up for consideration by the teachers, who use the preferential voting system of first, second, and third choice.

Keeping the activity cards of all Highland Park students up to date is the biggest job of the members, who also usher at all senior activities and at special assemblies. The "H" Blanket Award is given by this organization to the outstanding boy and girl of each graduating class who have the highest achievement scores for their three years at Highland Park.

And now — they've decided to let their dates get in on it too!

President Hurt welcomes our religious speaker, Dr. White, along with Hi-Lite Judy Kelley and Dr. Irvin.

Varsity Show

"Where all the boys?" asks Tootsie 2B one Monday morning during activities period. "They're at HI-Y meeting," replied Fanny 4A. Perhaps at that particular meeting the Hi-Y members were hearing an inspirational message by a guest speaker; or maybe they were enjoying a program presented by Hi Park's music or dramatic department. Throughout the school year the Hi-Y programs are carefully planned to carry out the club's purpose, "To create and maintain, throughout the school and community, higher standards of Christian character."

The Hi-Y organizations are sponsored by the National Y.M.C.A. In the fall the club became so large that it had to be divided into junior and senior chapters, but both groups work together. During the year they are the co-sponsors of the Hi-Lites of Religious Focus Week. They are interested in politics, too, and each year they send delegates to the model club in Austin. Included in their activities are the spring and fall dances, two of Hi Park's main social events.

Calling All Girls

"Our club that will never die."

"Say, Jane, that certainly was a pretty song! Tell me something about this 'club that will never die'."

"Well, Sue, this is the HI-LITES Club which is open to all girls at Hi Park. It sponsors the Big and Little Sister Party and is co-sponsor with the Hi-Y Club of the Religious Focus Week. There are several committees in the club, and one vice-president is in charge of each committee. The Friendship Committee helps the 2B's and transfers relax and have a good time in Hi Park. The Social Committee plans all of the wonderful club dances and parties. The programs given at our Tuesday meetings are worked up by the Program Committee."

"Hi-Lites sounds like a lot of fun, Jane."

"It isn't all fun. We really do some work which helps us lassies develop. The Welfare Committee sends several girls to the Mexican mission on Saturday to supervise recreation, and it sponsors a rural school through the Save the Children Federation. Projects such as sending boxes overseas, giving food to the underprivileged, and entertaining the veterans are carried out by the Red Cross Committee. The Bulletin Board Committee puts posters on the Hi-Lite bulletin board informing the lassies of the activities of the club. A record is kept by the Ex-Student's Committee on every gal who graduates from Hi Park. Our club is sponsored by Miss Grace Wilson, and Miss Carrie Inmon is our adviser. I really think that you would like it, Sue."

"Jane, when is the next meeting?"

Town Hall of the Air

Twenty Scots who like to get together and talk things over are members of the ROUND TABLE. This club, a representative group, meets weekly to discuss timely topics. A leader who outlines the subject is chosen for each meeting. The discussion itself is informal with everyone trying to add what he can, while keeping his prejudices out of it. At the end, members try to select the seeming best solution to the problem and apply practical tests to it.

The group tries to share its ideas with other groups in the school, opening several of its meetings to the student body. Several guest speakers also visited the club during the year. The Round Table has two social activities — a dinner near Christmas and a picnic in the spring.

These discussions give valuable training in looking at questions from all angles and in keeping an open mind. Experience gained here will really be an asset in later life.

Press Conference

Attention, all students interested in journalism. You will want to know something about the QUILL AND SCROLL, an international honorary society for high school journalists, which has had a chapter at Hi Park since 1937. In order to be a member of this group, a student must maintain a high scholastic average, be at least a junior, and do outstanding work on *The Bagpipe* or *The Highlander*. The sponsor of the publication on which he works must recommend him, and he must be approved by vote of the members of the society. Those are the requirements for admission into the organization, so get busy, junior journalists!

Palette Club

Budding Rembrandts of the Clan develop their paint-splashing abilities every Tuesday afternoon at ART CLUB meetings under the capable leadership of Miss Nancy Ella Dial. These young artists dabble in pastel, water color, wood, leather, chalk, and many other mediums to produce their masterpieces.

Besides having fun, the members perform many artistic odd jobs for the school. Posters, exhibits in the wall cases, and the Queen's Throne at the Music Festival are examples of their work. With its moderate dues the club has acquired a collection of lithographs and etchings, to which they add two prints a year. The members also have time to enjoy a picnic each semester.

A progressive dinner party wound up at Cynthia Bailey's home in the singing of a few gay songs. Here we see a few of the dramatists letting their hair down.

First Nighters

"All right, don't shoot! I'll talk." No, it isn't a frightened victim. It's just a student trying out for the DRAMATICS CLUB. This organization is limited to thirty active members who are admitted by try-outs. Students interested in any phase of play production are eligible, provided they maintain a passing average.

Programs, presented by the members, are usually one-act plays or scenes from longer plays. Each member is required to participate in one play each semester. The cast for the Highland Park entry in the Inter-Scholastic League One-Act Play Contest is chosen each year from the aspiring Thespians of this club.

The Latin Hour

If you should see one of your friends clad in a sheet during fourth period, don't be alarmed. He is probably in costume for a LATIN CLUB program. Plays, radio skits, and quiz shows are presented at the meetings of this club, which is composed of students in third and four year Cicero and Vergil classes. This group meets on the first and fourth Mondays of each six weeks, and the junior and senior classes alternate in giving the programs.

Every year the club has a banquet carried out in true Roman style. For this memorable occasion the members dress like Romans and eat like Romans — but they converse in English.

Remember the Alamo

The purpose of the JUNIOR HISTORICAL SOCIETY, a member of the Texas Historical Society, is to give students an opportunity to learn the history of Texas and Dallas. There are quite a few young Texans interested in the history of their state and city, for this club is one of the fastest growing organizations at Hi Park.

Every spring the group sends a delegation to the meeting of the Texas Historical Society in Austin. The club also sends four girls to the Lighthouse for the Blind every Saturday to aid the blind workers, and every year the group brings Christmas cheer to the Lighthouse by sponsoring a party there.

Fred Waring Show

Have you ever wondered where that sweet music comes from before school on Wednesday mornings? It is made by the Scottie LADS and LASSIES who are rehearsing for one of their many programs. During 1949-50 this choral organization sang for civic clubs, religious programs, commencement exercises, and school assemblies. Besides filling their Dallas engagements the songsters hit the road several times and gave out-of-town performances.

One of the most important events in which the Lads and Lassies participated was the operetta, "The Red Mill," directed by Miss Pope, Mrs. Connor, and Mrs. Steed. They also took an active part in the Highlander Music Festival. Who knows? This choral organization may be keen competition for Fred Waring and his Pennsylvanians.

The Sunday Philharmonic

Descend with us into the dank depths of Highland Park to the **Orchestra** room in the basement. Listen as we hear the 60-piece ensemble being put through its paces by Mrs. Edna Mae Connor, director. Could it be rehearsing for an assembly, a radio show, an operetta, or the Highlander Festival? And what is the reason for the gaiety of the musicians (we use the term lightly)? Is it from recalling experiences at the All-State Orchestra, the orchestra banquet, or one of the parties, or could it be from sheer joy at producing such lovely music? But who are the sad ones? Those are the luckless seniors who will be graduated before the orchestra moves into its new quarters. But in spite of its present damp, musty surroundings, the orchestra, recognized as one of Texas's better musical aggregations, plays all types of music from swing to symphony. In closing, we might add that Hi Park's Orchestra takes off its hat only to the Dallas Symphony.

Lassie: "Say, you really missed out by not joining the TRAVEL CLUB this year."

Lad: "Why, what did it do?"

Lassie: "For one thing, some interesting illustrated travel talks and movies on foreign countries were given."

Lad: "Is that all?"

Lassie: "Of course not. We helped in the Crippled Children's ward at Parkland Hospital every Saturday, and we also sponsored a school of thirty-five children in Second Creek in Burleson County, Texas."

Lad: "Hey, that does sound interesting."

Lassie: "But that's not all. With the help of our sponsor, Mrs. I. O. Miller we gave a Christmas party at the Lisbon Veteran's Hospital."

Lad: "I had no idea that this club did so many worthwhile things, but now that you've told me, I'll be sure to join next year."

Variety Show

This year Highland Park welcomed some 2,000 high school musicians to the fifth annual Highlander Music Festival. These students represented orchestras, bands, and choruses from schools in Texas, Oklahoma, Arkansas, and Louisiana. The Festival week-end was a busy one for all participants; performances for dis-

tinguished music educators and rehearsals, workshops, clinics, and concerts filled their schedule. Leisure time was scarce, but nobody seemed to mind. In fact, we are already looking forward to the Festival of 1951.

Her Majesty, Barbara of the House of Bolanz, was chosen by the student body, her loyal subjects, to

AVALANCHE NOSES OUT LEOPARDS, 6-0

Starting the year slowly, the Golden Avalanche eked out a 6-0 victory over the Adamson Leopards. The outcome of the game was in doubt until the final gun. The lone Scotty touchdown came on a long drive climaxed by a twenty-six yard heave from Malcolm Bowers to Dale Mount. Jerry Bateman led the line with a fine defensive performance.

Little Ed-Wad snags a Waco pass.

HIGHLANDERS EDGE PASCHAL, 7-0

Sparked by the passing of Malcolm Bowers, the Scots edged the Paschal Panthers 7-0. The score came early in the second quarter on a plunge by Kirby Edwards after a thirty yard screen pass from Bowers to Guthrie. Guthrie converted. Late in the third quarter the Scots had one tally called back.

Raw-ther rowdy chaps, these Scotchmen.

SCOTS SMASH SHERMAN, 32-0

The Highland Park touchdown machine, whose motor had been cold all year, roared off in high gear to smash the Sherman Bearcats 32-0. Guthrie led the scoring with two td's and two extra points. Dale Mount received an eight yard pass from Bowers for six points. A forty-eight yard pass from Bernet to Hurt set up the fourth score with Edwards going over from the one. The final tally came as Roach engineered the team and scored to climax a fifty-one yard drive.

Soph sensation, Ken Hempel, leads the march against North Dallas.

BLUE AND GOLD NIPS WACO, 13-6

Trailing 7-6 with seventy seconds remaining in the game, the true Scotty spirit conquered the Waco Tigers with a sixty-six yard touchdown drive. The drive was climaxed by two beautiful catches by Mount and Bernet which accounted for sixty-four yards. Guthrie rammed over from the one yard line for the winning touchdown. The Scots' initial touchdown came as Bowers passed to Edwards who lateraled to Guthrie for the score. Standouts on defense were Jack Archibald, Bill Crawford, and Ed Moore.

And another Scotsman bites the dust via the Coyotes.

SCOTTIES BITE BULLDOGS, 45-0

A powerful Scottie team trampled North Dallas 45-0 as the reserves took over early in the second quarter. The scores came fast and furious with Mount snagging two touchdown passes. Dick Bernet returned a punt for forty-six yards and a score. Hempel accounted for two td's on short plunges. Robertson scored on a seven yard drive. Mac MacKinstry, the kick-off specialist, scored on an eleven yard pass from Roach. Reserves Perry Owens, Ackard, Jaynes, Belcher, Miller, and Redman also stood out.

IT HAPPENS TO THE BEST OF TEAMS—

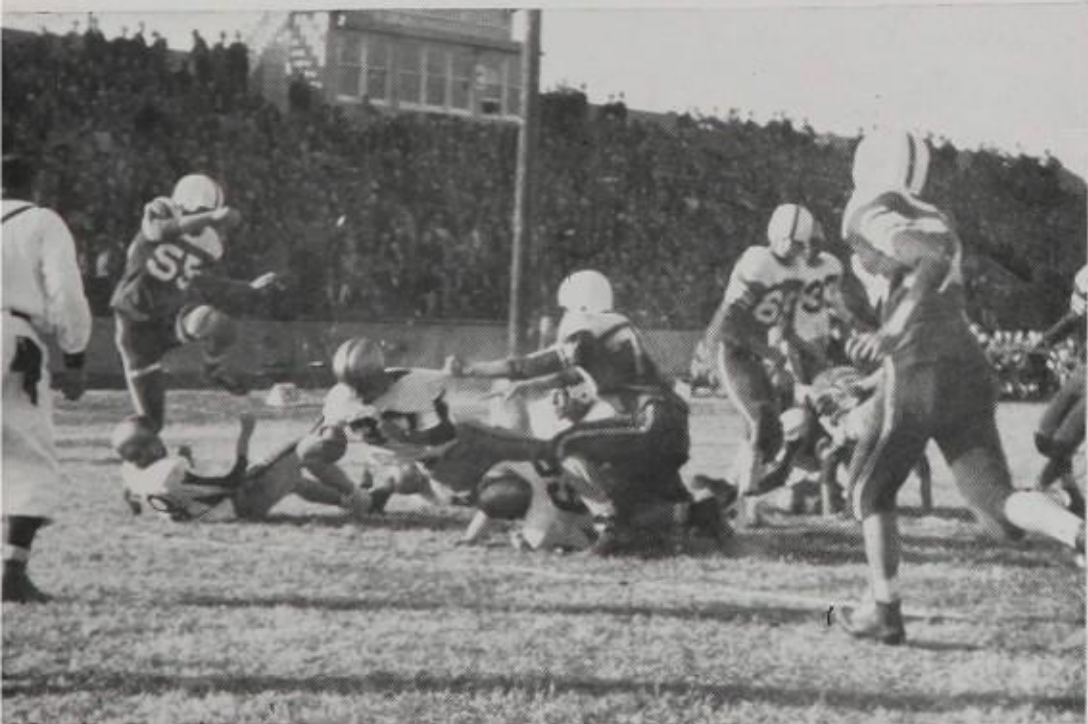

The Highlanders were bumped from the select-circle of untied, unbeaten teams by the Wichita Falls Coyotes 14-7. The Scot's lone tally came on a twenty-seven yard pass from Bowers to Hurt. Until late in the fourth quarter the score was tied 7-7, when the Coyotes ran back a booming kick off of the toe of Deaner Woodruff to the two yard line. Wichita Falls scored the first touchdown of the season through the Scottie forward wall. Terrific blocking by Ed Genecov and Jerry Bateman stood out in defense.

Question: Where's the ball?

HIGHLANDERS DUMP DENTON, 34-7

Exploding for three touchdowns in the second quarter and adding two more for measure later, the Scotties proved themselves well on their way to their tenth consecutive District Championship as they defeated the Denton Broncs 34-7. Guthrie scored two touchdowns and kicked four extra points to lead the scoring. Passes from Bowers and Baird gave Mount second place in the evening's work. Baird's pass was good for fifty-seven yards and Bower's pass for seventeen. David Nix intercepted a pass and ran fifteen yards for the final score. Denton's lone tally came on a pass play in the fourth quarter. The line play was terrific from end to end.

Hey, let my jersey go!

HI PARK STOPS GOPHERS, 13-6

Our Golden Avalanche virtually cinched the tenth straight district championship as it eked out the Grand Prairie Gophers 13-6. Victory was in doubt until the final gun. Terrific line play of the Scots was the deciding factor as the Gophers were halted inside the Scot twenty yard line numerous times. First blood was drawn by the Scots on a forty-seven yard pass and lateral play from Bowers to Bernet to Guthrie. Guthrie converted. The Gophers scored in the second quarter to make the score 7-6 at the half. The final tally second quarter to make the score 7 lay from Bowers to Baird. second quarter to make the score 7

44 seems a bit leary of "Terrible Tim."

AVALANCHE MAULS McKINNEY, 32-0

Speedy backs of Hi Park behind a magnificent line struck fast and often to overwhelm the McKinney Lions 32-0. Buddy Baird led the scoring parade with two six pointers. Guthrie, Bernet and Mount followed with one each. A dazzling 55 yard punt return by Baird highlighted the game. Standout Hi Park linemen were the old reliables, Mount, Crawford, Archibald, Arnett, Bateman, Genecov, and Hurt.

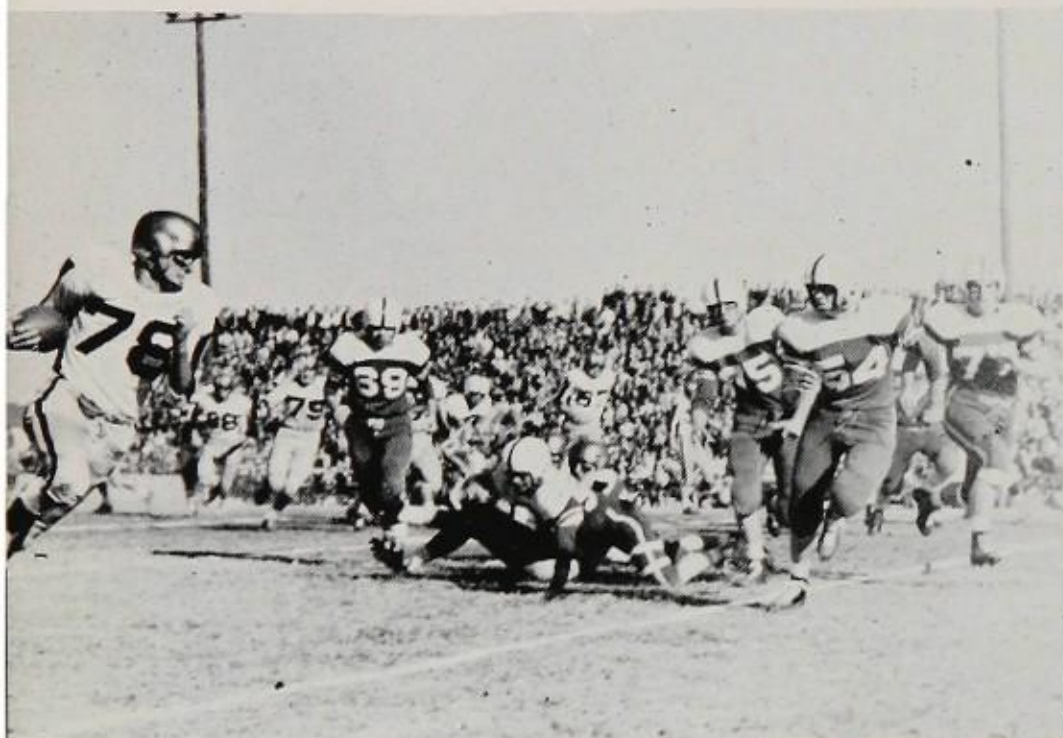

The Scots roll on against Denton.

Long John Roach speeds on past unidentified by-standers.

BLUE AND GOLD WALLOP WILDCATS, 57-13

Running up the highest score since '45, the Scots ran roughshod over the Sulphur Springs Wildcats 57-13. On the opening kickoff Baird galloped eighty-two yards to let the crowd know what was in store for it. The nine tallies were made by nine different Scotties, Bernet, Hemple, Bowers, Baird, Robertson, Webb, Roach, Woodruff, and Guthrie. The line was anchored by reserves, Crossman, Oppel, Whitley, E. Bernet, Webb, Lilly, and Wallace who played most of the game.

A few boys from Paris don't bother Happy Hurt. He's always smilin'.

Here's mud in your eye, Buddy.

SCOTTIES POWDER PARIS, 33-0

The silk stocking boys from old H. P. showed their true ability as they powdered the Paris Wildcats 33-0. A bruising line led by Genecov, Crawford, and McCammon held the vaunted Wildcat running attack to a minus five yards. Baird flashed through the opposing line to score two td's. Bowers, Edwards and Guthrie accounted for one apiece. Guthrie set up his with a terrific forty-one yard jaunt to highlight the game.

Dale delivers Malcolm's mail at Grand Prairie.

SCOTS EMERGE FROM MUD — 20-6 VICTORS OVER ABILENE

In a battle of mud the Scot's line again showed its worth as it conquered the Abilene Eagles 20-6. Driving from their own thirty-five, the Scots scored the first time they received possession of the ball. John Roach found a great gap in the left side of his own line and stepped through for the score. Guthrie converted. Bowers to Mount, a familiar combination during the season, again counted six points.

Roach bows his head for another six-pointer against Abilene.

Bowers scored on a punch play from the three. Bill Crawford, Jack Archibald, and Gene Arnett led the mud bound Scots.

. . . DOGGONE THOSE COYOTES ANYWAY

Fighting like true warriors to the final gun, the Scots bowed to the mighty Wichita Falls Coyotes 21-0. In spite of this defeat by the state champions the Plaidsmen had a successful and colorful season.

One of our gayer moments in the semi-finals.

Inspired by the able direction of Coach Ralph Binnion, Highland Park's 1950 basketeers fought their way to the quarter-finals in Class AA. It was the second straight year the team had journeyed to Austin. The Scottie quintet, because of an extended football season, was slow rounding into top form. AQUATICS

After the 1949 Highlander had gone to press the Highland Park Scotties ended the 1949 season as the Texas State Schoolboy Swimming Champions. The team engaged in two championship meets, the Southwestern Interscholastics held at the Dallas Athletic Club, and the Texas Interscholastic League Championships held at College Station, and emerged as champions in both competitions. Coach Wally Hoffrichter, who has looked after the Scot's swimming cause since its beginning, says that the 1949 squad was one of the best high school swimming squads he has ever had. The 1949 edition brought a lot of cups and trophies to add to the evergrowing accumulation of evidence of sports achievement by Hi Park. The 1950 squad enters its competition with a fine chance of repeating the glories of its predecessors. The 1950 Co-captains, Leslie Reddoes and Bobby Timmins, are both 1949 state champions in their respective events, and are favored to repeat in the 1950 tourneys. They also teamed with Fonse Ragland to cop the State Medley Relay trophy and will this year attempt to do it again with another breast stroke winner subbing for the ex-Scot Ragland.

The squad this year faces almost a complete rebuilding job with many of the old hands graduated and leaving the swimming duties to many promising sophomore swimmers. The outlook is bright however, and maybe history will repeat itself after this Highlander goes to press.

Gillon, Timmons, Beddoes

This trio will carry the brunt of the point-gathering attack of the Highland Park swim team when it competes in the Southwestern and State swim meets. Widney Gillon, Bob Timmons, and Leslie Beddoes will team together in a medley relay combination and also in individual events. Widney will swim the breast stroke leg of the medley relay and compete for the championship honors in the breast stroke event; Bob will defend his State and Southwestern championships in the 220 yard free style event; Leslie will defend his state and Southwestern championship in the backstroke event.

GIRL'S SPORTS

Ouch! There went my last fingernail. Yes, it's the little girls in the baggy but fashionable blue suits, starting another year of bandages, bruises, and broken bones.

As we enter the spacious girls' gym, we hear the rhythmic beat of a tom-tom. Is it the newest record on the juke box? No. It's just the girls doing their daily setting up exercises to the rhythm of the drum.

Words cannot describe the feelings that the girls hold for speedball. This sport is a combination of football, basketball, and soccer. The point of the game is to kick or throw the soccer ball down the field and then throw it to a teammate behind the goal or kick it between the goal posts. During this season one is likely to see girls limping in, or even being carried in, from the speedball field. This season is also the time for the game called tenniquoit. The rules of this game are similar to those of volleyball. A rubber ring is hurled between opponents on either side of the net.

The next six weeks are spent trying to play

whole-court basketball on half a court. Most girls find this trying. It might become confusing, as there are twelve girls where there should be only six, but for those attractive, colored rags we wear—pinnies.

After flunking four exams, we return with clean hope and renewed gym suits—oops—renewed hope and clean gym suits. The next sport on the agenda is volleyball. We spend a few days practicing out set-ups and serves, and then we play a class tournament.

"Alemand left and do-si-do, swing your partner and round you go!" In the spring, thoughts of the gym classes lightly turn to square dancing. These folk dances are done to music played on the piano, and are called by the gym teachers.

Tramp, tramp, tramp, the girls are marching. After walking several blocks in the broiling Texas sun, we come to that lovely little gem—the baseball diamond. The question of the day: Not how far can you hit the ball, but—Can you hit the ball? We'll leave you pondering this question and return to the girls' gym. Here we find the

air filled with birdies and flying racquets. Yes, it's badminton time here at Hi Park. This is a sport for individuals or for teams of two. We have four teams play softball, the other two play badminton in the gym. For those energetic ladies who are not satisfied with the daily routine in the gym, intramurals are played in every sport. Round robin tournaments are run off, and they are open to any girl in school. There are two leagues, Monday-Wednesday and Tuesday-Thursday. The winners of these two leagues play each other for the championship. In addition to the class tournaments, all-star contests are held. The winning all-star team plays the class champion for the title in each sport.

Now we would like to extend a word of praise and thanks to Mrs. Jack Berry and Miss Gwynne Watson, our untiring gym teachers and faithful friends. Even though they must come to us frequently for slamming locker doors and chattering during roll call, they still maintain a cheerful smile and an understanding attitude. We'd like to say, from all the girls, "Thank you a million!"

RESERVE OFFICERS TRAINING CORPS

The Highland Park High School R.O.T.C. unit is, technically speaking, the fifth regiment of the 4305th A.S.U. Texas R.O.T.C. under the command of Lt. Col. R. L. Moses, Professor of Military Science and Tactics of the Dallas High Schools. However, to the boys at High Park it is an opportunity to learn to give and take orders; and to learn the elements of military tactics so necessary at this time of international instability.

Due to the excellent program and instruction offered by the commandant, Lt. Commander Floyd R. Hightower, U.S.N. R., the assistant commandant, Major Newman F. Casey, and our regular army instructors, Captain Eugene H. Kipp, and Master Sergeants William E. Rumburg and Samuel R. Wederstrandt, our school received a superior rating. Another reason behind this rating is the spirit which each cadet feels in his squad, his company, and his regiment. Because of the work of Colonel Instructor Emerson J. Boroughs, one of the finest bands in the school's history has been developed. Proof of this was evident throughout the year at football games, concerts and parades.

Through the combined effort of officers and men, the R.O.T.C. had its most successful year in the Corps' history.

THE BAND

Another full year of activities has been completed by the industrious band of Highland Park. New forest green uniforms with white shoulder cords and white Sam Brown belts were purchased for the well deserving group. Playing for football games at Fort Worth, Grand Prairie, Wichita Falls, Paris, and Denton, pep rallies, and ROTC parades kept the indispensable band members on their toes. With this full schedule the band managed to squeeze in participation in such events as the Home Coming parade for Southern Methodist University and the parade on Texas Independence Day. The musicians also played with nineteen other bands on the Texas Music Educators Music Day Festival during the State Fair. In December every member prepared and played with accompaniment, a solo in the seventh annual intramural solo contest. Band members were invited to the T.M.E.A. Convention in Mineral Wells.

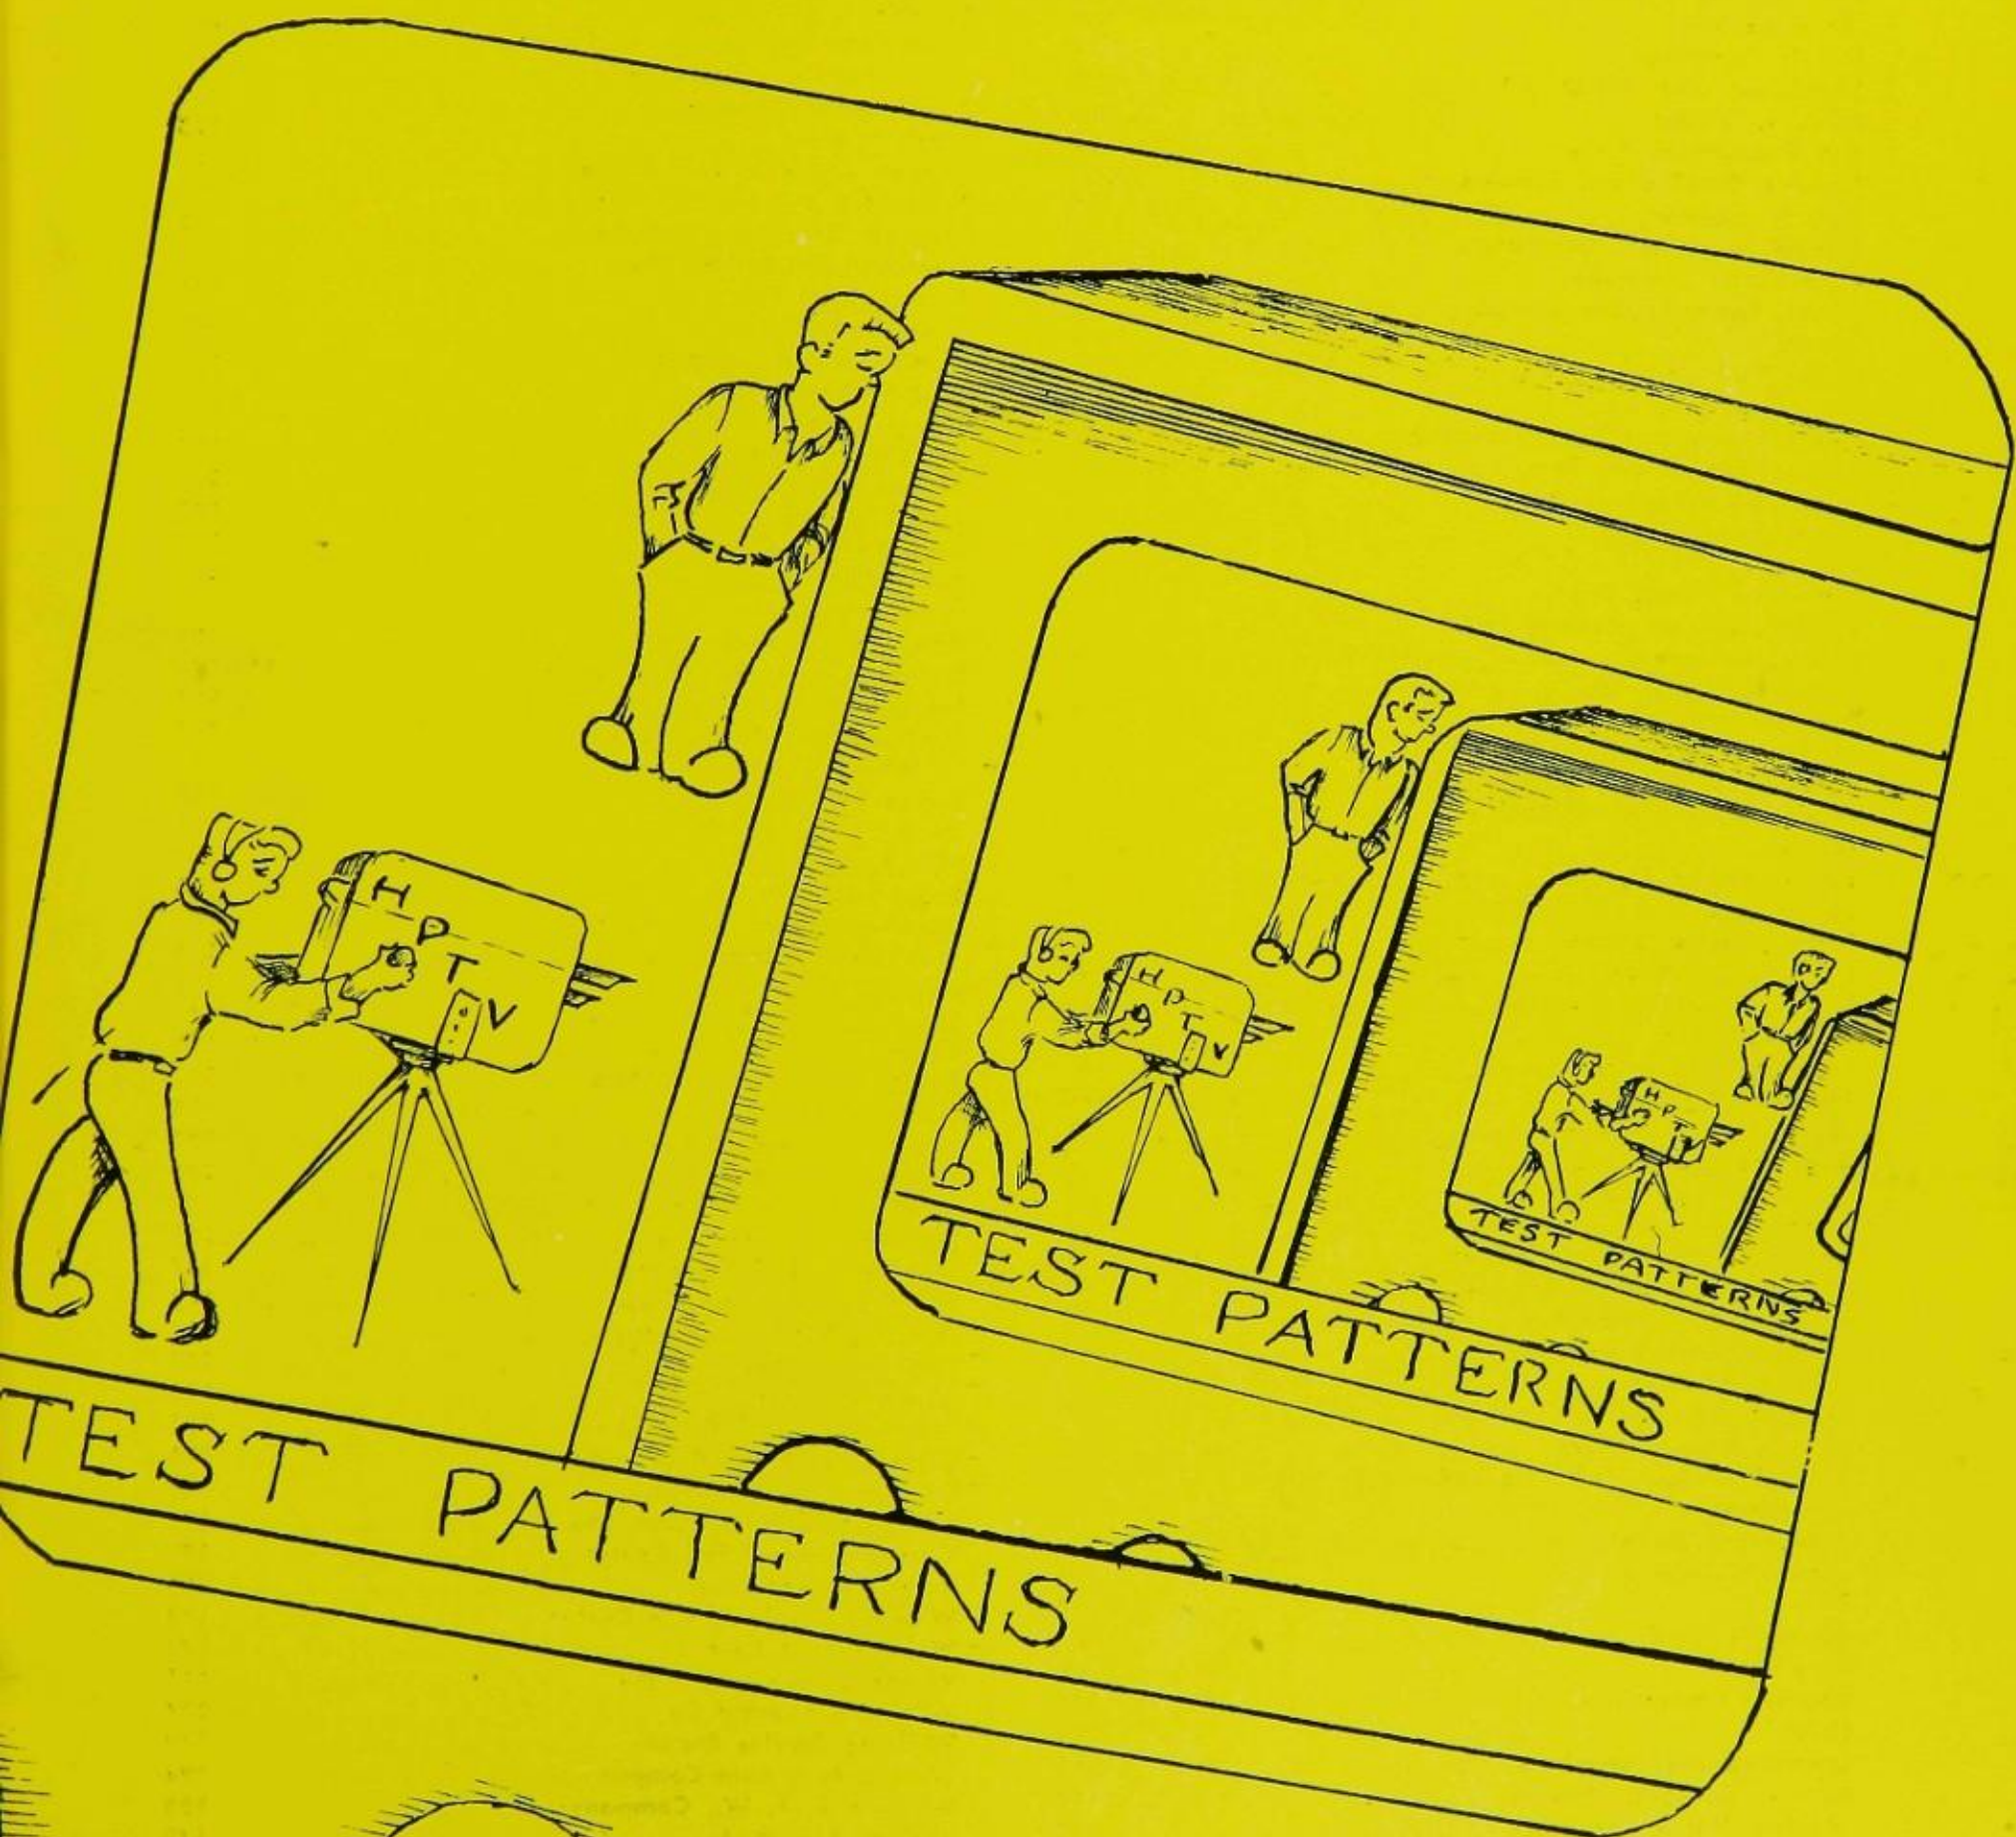

During the second semester, assembly concerts at the senior and junior high schools were performed. The Highlander Music Festival was the high spot of the spring for the band. Serving as a nucleus of the festival band, the Highland Park band participated fully in this event. A gala occasion was the annual banquet followed by a dance at the Northwood Country Club. A never-to-be-forgotten event was the overnight camping trip to Lake Dallas by the entire group. All of these social activities did not detract from the band's lovely music which was played to the enjoyment of everyone during the year of 1949-'50.

The band takes over the football field for another Tuesday morning parade.
